Site B	1	3.45	41765
Site B	1	2.65	43405
Site B	1	1.78	43404
Total Site B	16	52.50	
Total Site A & B	18	61.10	

Yorwaste recognise that many of our customer are introducing new **Environmental Performance Indicators** to present to their customers, local planners, prospective clients & stakeholders. One of our major strengths is that we offer a comprehensive collection service and a wide range of in-house waste processing solutions across the region, which uniquely provides our customers with an uncomplicated and transparent audit trail. This complete integration of vehicle movements and recycle/disposal route allows us to easily provided detailed information and waste statements to our customers. Let Yorwaste prepare a **clear statement** detailing your waste movement & destinations allowing you to promote your **Green Business Credentials**.

Furthermore, the proximity of our processing facilities invariably means that the number of waste miles are kept to a minimum and our customers ultimately benefit from the associated reduction in the carbon footprint from vehicle movements.

Waste	EWC Code	Tonnes	
Inert Materials	170504	46.44	Recycled
Greenwaste	200201	1.23	Recycled
Wood	191207	2.45	Recycled
Metal	200140	1.8	Recycled
General Waste	200301	9.18	Landfilled
Total		61.10

Solutions across the Region

One of our major strengths is that we offer a comprehensive collection service and a wide range of in-house waste processing solutions across the region, which uniquely provides our customers with an uncomplicated and transparent audit trail. All our facilities across the region are connected to our central server & data warehousing at our Head Office. This complete integration of vehicle movements and recycle/disposal route allows us to easily provide detailed information and waste statements to our customers.

The proximity of our processing facilities invariably means that the number of waste miles are kept to a minimum and our customers ultimately benefit from the associated reduction in the carbon footprint from vehicle movements.
