

LDPE Jazz Plastic

Low Density Polyethylene (LDPE) Jazz Plastic

The below specification details the wastes that are acceptable, and those not acceptable in the LDPE and LLDPE Natural Film specification:

YES

- ✓ Dolav Liners
- ✓ Coloured plastics, pink, blue, green, red
- ✓ Empty ingredient bags
- ✓ Shrink wrap

NO

- ✗ Food waste (trapped within bags)
- ✗ PPE – (hair nets, gloves,
- ✗ Powders (trapped within bags)
- ✗ PP strapping
- ✗ Food trays (PVC or laminate)
- ✗ Cryovak (shrink packaging such as bacon packaging)
- ✗ Mud/Silt
- ✗ Odour
- ✗ Blood or trapped liquid
- ✗ Poly Prop dumpy bags

STRICTLY FORBIDDEN (PROHIBITIVES)

Should **NOT** contain wastes listed in the National Catalogue of Hazardous Wastes, as there is a **0% tolerance**. This includes the following (although this list is not exhaustive):

- ✗ Food waste
- ✗ Garden waste
- ✗ Medical, hygiene and pharmaceutical waste
- ✗ Hazardous waste (paint, chemicals, oil, asbestos)
- ✗ Nappies
- ✗ Concrete, soil, stone and brick
- ✗ Bitumen
- ✗ Electrical equipment, wire or batteries
- ✗ Burnt or partially burnt paper
- ✗ Corrosive, toxic or flammable material
- ✗ Wood
- ✗ Wallpaper
- ✗ Magnetic tape or photosensitive material (e.g. x-ray film, video tape)

NO RADIOACTIVE MATERIAL, EXPLOSIVE WEAPONS OR AMMUNITION IS ALLOWED

Yorwaste guarantee to recycle 100% of acceptable material received. The only exception to this will be any material that does not meet our specification. This may be sent to energy from waste and will be charged if it cannot be placed into another more suitable grade.

Plastic must be clean and free from odour and contamination, particularly food. Downgrade from LDPE Jazz to general waste if contamination noted. Details to be noted on weighbridge transaction.
